A summary of our car insurance policy

Thank you for insuring your car with us.

Please take care when driving. In particular, don't drive too fast in the wet or when it's dark. Leave enough room between you and the car in front so you can stop in time.

This document is a summary of your motor insurance policy. If you would like to look over the full terms and conditions, these are in your policy document. If there's anything you don't understand, please phone us on 1890 24 7 365, call in to your nearest AXA branch or log onto www.axa.ie

We are delighted to have you as a customer and look forward to insuring you for many years.

Chief Executive

Protecting your no claims discount

If you buy no claims discount protection, you can make one claim without losing your no claims discount. To qualify, you must be earning the maximum no claims discount and you must not have made a claim for the past three years.

Car & Key Rescue*

24 hour breakdown assistance in Ireland, the UK, the Channel Islands and the Isle of Man (excluding islands off the coast). Our trained recovery technician will get you going following mechanical problems, a flat battery or even just a puncture. And if you can't complete your journey, we'll arrange local towing and help to get you home or make alternative arrangements. And we also offer lost, damaged or stolen car keys and fob insurance. We give you up to €1,500 toward replacing keys or fobs as well as up to €40 per day for up to three days car hire if you don't have a spare set. Claims won't affect your no claims-discount.

Open Driving

This allows anyone aged 25-70 with a full Irish, UK or EU licence to drive your car with your permission.

Glass breakage*

(if you are not insured for comprehensive)

You can add glass breakage cover to your third party, fire & theft insurance. If you use an AXA-approved supplier, cover will be unlimited. If you use your own supplier, cover will be limited to €250 per claim for replacement glass and €50 for a repair.

Comprehensive driving of other cars

Most AXA customers have third party cover to drive other people's cars. This extra cover provides glass, fire, theft and accidental damage for a borrowed car up to 2000cc and up to €50,000 provided the car is not owned by you or your spouse/partner and is not a hire car. You must be driving with the owner's permission.

Injury to driver cover

The cover includes a benefit of €10,000 if you or a named driver are seriously injured in a road accident and a €30,000 death benefit if you or any driver named on the policy is killed as a result of a motor accident involving your car. It also includes hospital and temporary disability benefits for you. A claim under any of these optional benefits will not affect your no claims discount.

Replacement Car Plus

If your car is out of use due to loss or damage by accident, fire or theft we will hope to provide you with a courtesy car, usually a class-A or economy class one litre car OR we may pay towards you hiring a car up to €22 a day including VAT.

Legal expenses*

If you are the victim of a miscarriage of justice or an uninsured driver, legal expenses cover will enable you to pursue damages.

*A claim under these sections will not affect your no claims discount.

Significant general exceptions and policy conditions

Applies to all sections of the policy.

People covered to drive

We will not be liable for any injury, loss or damage while your vehicle is being driven by a person not covered by the certificate of motor insurance.

Using your car

We will not be liable for any injury, loss or damage while your vehicle is being used for any purpose not covered by the certificate of motor insurance.

Driving licence

There is no cover for anyone who is disqualified from driving, has never held a driving licence or who is not meeting the conditions of his/her licence/learner permit. This includes conditions relating to the class of vehicle being driven, the requirement to be accompanied when driving under a learner permit or any other restriction or condition that may apply.

Claims procedure

You must, as soon as reasonably possible, give us notice of any injury, loss or damage which may give rise to a claim under the policy.

Looking after your vehicle

You must take all reasonable precautions to keep your car secure from theft and in a roadworthy condition.

You must tell us:

If there have been changes to your information, whether about your vehicle, including modifications, yourself or any named driver on your policy.

If you are in any doubt whether certain facts are important, please ask us.

Our rights to cancel

If we have to cancel your policy, we will send you 10 days' notice by registered letter to your last known address. Although you may be able to protect your no claims discount, your premium may increase if you make claims or you receive motoring convictions.
