Policy Document

Introduction

This document and any endorsements that are included in it sets out your and our rights and responsibilities.

The insurer your contract is with is AXA Insurance dac which is established in Ireland. Both you and we can choose the law within the European Union which will apply to the contract. We propose that Irish law will apply.

The cover you have bought has many benefits to give you peace of mind. However, as with all insurance contracts, there will be circumstances where cover will not apply. These are shown in this document.

Please read your policy carefully and keep it in a safe place.

Your policy includes:

- the policy wording in this booklet;
- the schedule that has your details and the cover that applies; and
- any endorsement which applies.

Unless a section or part of this policy shows the countries to which it applies, the cover provided by this policy applies only to death, injury, loss or damage happening in Ireland or the UK.

As long as you have paid or agreed to pay the premium, we will cover death, injury, loss or damage that happens during the period of insurance as described in the following pages for the sections you have chosen.

On behalf of AXA Insurance dac

Phil Bradley
Chief Executive
AXA Insurance dac

6. Vehicle repatriation

If your car cannot be repaired in Europe, or by the time you have to get home, we will arrange and pay for it to be taken to the nearest repairer to your home. You must give us a list of any items that are left in, or on, the insured vehicle. We will not be responsible for the loss of, or damage to, any items which are not on this list. We will only do this if we believe the cost of doing so would be less than the market value in Ireland.
