If you buy no-claims discount protection, you can make one claim without losing your no-claims discount.

To qualify, you must be earning the maximum no-claims discount and you must not have made a claim for the past three years.

Motor Rescue

24 hour breakdown assistance. If your car will not start on the road or in your driveway we will send help. If we cannot get you going, we will tow your car to safety and get you to your destination if needs be.

Glass breakage (if you are not insured for comprehensive) You can add glass breakage cover to your third party, fire & theft insurance. If you use an AXA approved supplier, cover will be unlimited. If you use your own supplier, cover will be limited to €250 per claim for replacement glass and €50 for a repair.

Legal expenses

If you are the victim of a miscarriage of justice or an uninsured driver, legal expenses cover will enable you to pursue damages.

Replacement Car Plus

If your car is out of use due to loss or damage by accident fire or theft we will hope to provide you with a courtesy car that is a similar physical size to your car up to 2000cc, although we do not guarantee that this will occur. (Your courtesy car may not be the same as your own vehicle in terms of size, type value or status) OR we may pay towards you hiring a car up to €22 a day including VAT.

Injury to driver cover

The cover includes a benefit of €10,000 if you or a named driver are seriously injured in a road accident and a €30,000 death benefit if you or any driver named on the policy is killed as a result of a motor accident involving your car. It also includes hospital and temporary disability benefits for you.

A claim under any of these optional benefits will not affect your no-claim discount.

other things you should know

How long the policy lasts

Your policy will run for 12 months from the date and time shown in the schedule. If we agree to provide cover for less than 12 months, the schedule will show when your policy ends.

Cooling-off period

If you are unhappy with your new policy, you can cancel within 14 days by giving notice in writing and returning the certificate of insurance to us. We will work out the premium for the period we have been insuring you on a pro rata basis plus an administration charge and refund the balance providing no claims have been made on your policy.

You will be charged a pro rata premium or €30 whichever is more for the period you were on risk and this will be deducted from the full premium paid to determine the refund due to you.

Cancelling your policy in the first year

If you cancel at any other time during the first year of insurance, we will work out the premium after an administration fee has been taken away for the period you were insured based on our short period rates as shown below. If you have made a claim or there has been an incident likely to give rise to a claim, we will not give any refund.

Period which your policy is in force	Percentage of premium returned
Up to 1 month	80%
2 months	70%
3 months	60%
4 months	50%
5 months	45%
6 months	35%
7 months	25%
8 months	20%
9 months	10%
Over 9 months	Nil

The premium does not include the charge for motor rescue or the premium for injury to driver cover and we will not provide a refund for these optional items when you cancel your policy.

Cancelling your policy at any other time

In the second and any future years, once you return the certificate and disc of insurance and you have not claimed or there is no incident that is likely to result in a claim during the current period of insurance, we will return the premium after an administration fee has been taken away for the period of insurance still left to run. The premium does not include the charge for motor rescue or the premium for injury to driver cover and we will not provide a refund for these optional items when you cancel your policy.

Our rights to cancel

If we have to cancel your policy, we will send you 10 days' notice by registered letter to your last known address. As long as you return the certificate and disc of insurance to us, we will return the premium for the period of insurance still left to run. Cancellation may occur if your Drivesave app shows you to be a dangerous driver.

Your premium

Although you may be able to protect your no-claims discount, your premium may increase if you make claims or you receive motoring convictions.

The law and language of the contract

Both you and we can choose the law within the European Union which applies to the contract. We propose that the law of the Republic of Ireland will apply. The language used in this policy and in communications relating to it will be English.
