Definitions in this policy

Where we explain what a word means, that word will have the same meaning wherever it is used in the policy or schedule.

Here to help

The following words have the same meaning wherever used in the policy or schedule.

We, our, us – AXA Insurance Limited

You, your – the person named as the policyholder in the schedule and each member of the policyholder's family or household (but not boarders, lodgers or paying guests) who normally live in the policyholder's home.

The schedule – the schedule is part of your policy. It includes your details, the dates of insurance and the property insured.

The period of insurance – the period for which we have accepted your first or any further premium.

Excess – the first part of any claim which you have to pay.

Endorsement – an alteration to the terms of the policy.

The buildings – the holiday home shown in the schedule and the following if they form part of the property:

Domestic greenhouses, tennis hard courts, swimming pools, terraces, patios, drives, footpaths, walls, gates, fences, hedges, decking and septic tanks, all within the boundaries of the land belonging to the holiday home.

Contents – You can find the definition of contents within the contents section of this policy booklet. This includes the definition of household goods and personal effects.

Holiday home – the house, bungalow, apartment, flat or maisonette shown in the schedule including its outbuildings and garages all used for domestic purposes.

Outbuildings – sheds, green houses, summer houses and other buildings (but not caravans, mobile homes or motor homes) which do not form part of the main building of the home and are used for domestic purposes.

Standard construction – built entirely of brick, stone or concrete and roofed entirely with slates, tiles or with concrete.

We explain other words elsewhere in the policy or schedule.

How we settle claims

You must tell us if the buildings and contents sums insured are not high enough. If not, you may find that you do not have enough cover and we will not pay the full value of your claim.

We will decide how to settle your claim. We will normally arrange for one of our suppliers to repair, reinstate or replace the lost or damaged property. In some instances, we may decide to pay a cash amount for the loss or damage. We will not pay more than our suppliers would have charged. We will deduct the appropriate excess from all claims payments we make.

Claims retention

Where we agree to pay your claim and the settlement amount is in excess of €2,000 we reserve the right to withhold up to a maximum of 25% of the final payment until the re-instatement works are completed and validated through the submission of a final invoice and (where necessary) a final inspection of the works is completed by AXA.

Where the retention amount remains unclaimed after a period of 4 months from the date of the settlement we undertake to write to remind you of the unclaimed retention and AXA's requirements to release this payment. If we do not hear back from you within 10 working days we will issue a final reminder to you. Where we do not receive a response to our final reminder within 10 working days, AXA will close the claim file.

Matching sets and suites

We treat one item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. We will pay you for individual damaged items but not for the other undamaged pieces. However, we will pay for replacing undamaged parts of a bathroom suite if we cannot find replacements to the damaged parts.

Will we take off an amount for wear and tear?

Buildings

If we carry out a repair or reinstatement, we will not take off an amount for wear and tear as long as the sum insured represents the full reinstatement value of the building and you have kept the building in good condition.

The full reinstatement value is not necessarily the value you would get if you sold the property (market value).

Contents

We will take off an amount for:

- clothes, furs, household linen;
- TV sets, DVD players, camcorders, videos, record players, compact disc players, ipods, video recorders, home computers, laptop computers, game consoles and similar equipment including CDs, tapes, records and software over one year old; or
- carpets over five years old.

We will not take off an amount for wear and tear for all your other contents as long as the sum insured represents their full value as new at the time of loss and you have kept them in good condition.

Other insurance policies

If any injury, loss or damage is covered by any other insurance, we will not pay more than our share.

No-claims discount

Before you make a small claim, remember you could lose your no-claims discount. Please call us if you have any questions.

Here to help

For the purpose of working out the no-claims discount, a period of insurance is one continuous year between the beginning of the policy and the renewal date shown in your schedule or between consecutive renewal dates.

If you have consecutive periods of insurance with us without any incident which may give rise to a claim, we will reduce your premium when you renew the policy in line with our discount scale that applies at the renewal date. We can provide details if you need them.

If during a period of insurance incidents happen giving rise to claims under the policy, we will reduce the no-claims discount to 0%.

If we agree to transfer the interest of the policy to someone else, we will not transfer any no-claims discount earned.

Inflation protection

Buildings

To help protect you against inflation, we will adjust the sum insured under the buildings section each month, in line with an appropriate index* we have chosen, and each year when you renew the policy we will increase the sum insured in line with that index.

*Society of Chartered Surveyors, CSO, Dept of Environment.

Contents

To help protect you against inflation, we will amend the sum insured under the contents section each month, in line with an appropriate index* we have chosen, and each year when you renew the policy, we will increase the sum insured in line with that index.

*Consumer Price Index.

Here to help

The following applies to buildings and contents.

- If an index falls, we will keep the sums insured and monetary limits at the same level.
- We do not charge for this inflation protection at the time of the monthly increase but when you next renew your policy we will adjust your sums insured as a result.
- Inflation protection will not apply to the monetary limits.
- During the period of repair, after we carry out a repair or replacement for loss or damage to the building, we will continue to protect the sum insured against inflation as long as:
 - a you take reasonable steps to make sure that the repair or replacement is carried out immediately; and
 - b the sum insured at the time of the loss or damage represents the full value.

Although you have the benefits of inflation protection, you should not rely on this alone to keep the building sum insured at the correct level. The replacement cost of your building or contents may be growing faster than inflation – perhaps because of a new extension or new items you have bought. It is a policy condition to insure for the correct amount – see page 19.

What is not covered

General exclusions

These exclusions apply to the whole policy.

1 Sonic bangs

We will not pay for loss or damage caused by pressure waves from aircraft and other flying objects travelling at or above the speed of sound.

2 Radioactive contamination

We will not pay for any loss, damage or legal liability arising, directly or indirectly, from:

- a ionising radiation or contamination by radioactivity from any nuclear fuel or from any nuclear waste from burning nuclear fuel; or
- b the radioactive, toxic, explosive or other dangerous properties of any explosive nuclear machinery or any part of it.

3 War and terrorism exclusion

Despite any other condition in this insurance or any endorsement that may apply, we will not be liable for loss, damage, cost or expense directly or indirectly caused by, resulting from or in connection with any of the following.

- a War, riot, revolution or any similar event.
- b Any government, public or local authority legally taking or destroying your property.
- c Any act of terrorism.

We define an act of terrorism as an act which may include using or threatening force or violence by any person or group, whether acting alone or in connection with any organisation or government committed for political, religious, ideological or other purposes. This includes the intention to influence any government or to put the public or any section of the public in fear.

This exclusion also does not cover liability, loss, damage, costs or expense resulting from any action taken to control or prevent a, b or c above.

If we say that we will not cover a claim for these reasons, you must prove otherwise if you want us to pay a claim.

If any part of this exclusion is not valid or cannot be enforced, the other parts will still be effective.

4 Excess

We will not pay the first €350 of any claim (unless otherwise shown in the policy or schedule).

Claims for water escaping from or frost damage to a fixed water drainage or heating installation, washing machine, dish washer, fridge freezer, waterbed or fish tank are subject to a €500 excess.

Claims for subsidence, landslip or ground heave are subject to an excess of €5,000.

5 Date change exclusion

We will not pay for any loss of or damage to any computer equipment, software or microchip-controlled electrical appliance you own or control, or for any data lost from any computer, software, database or similar equipment, caused by or arising from that equipment failing to treat any calendar date as the correct date.

6 Risks to computers

This policy does not apply to liability, loss, damage, costs or expense directly or indirectly caused by or in connection with:

- a the loss or alteration of or damage to; or
- b a reduction in how a system works of
 - a computer system, hardware programme, software, data-information store, microchip, integrated circuit or similar device in computer equipment or non-computer equipment that results from deliberately or negligently transferring (electronic or otherwise) a computer programme that contains any damaging code including computer viruses, worms, logic bombs, or trojan horses.

7 Wear and Tear

Your policy is intended to cover you against unforeseen events like fire or theft. It does not cover wear and tear or damage that occurs gradually over time.

Conditions which apply to the whole policy

You must follow these conditions to make sure you're covered.

- We may reassess your cover and premium either immediately or at your next renewal date depending on the information you provide.
- If you are unsure whether a change will affect your cover you should contact us.

2 Taking care of your property

You must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to protect your property from loss or damage. You must keep all your property in good condition.

3 Fraud

You must not act in a fraudulent way. If you or anyone acting for you:

- fails to reveal or hides a fact likely to influence whether we accept your proposal, your renewal, or any adjustment to your policy;

- makes a statement to us or anyone acting on our behalf, knowing the statement to be false;
- sends us or anyone acting on our behalf a document, knowing the document to be forged or false;

- makes a claim under the policy, knowing the claim to be false or fraudulent in any way; or

The action we can take on top of our other rights are listed below.

- We will not pay a claim.
- We will not pay any other claim which has been or will be made under the policy.
- We may declare the policy void. (In other words, it will end without you receiving any benefit.)
- We will be entitled to recover from you the amount of any claim we have already paid under the policy.
- We will not return your premium.
- We may let the appropriate law enforcement authority know about the circumstances.

4 Claims

a Reporting a claim

- 1 You or your personal representatives must immediately report any incident which may lead to a claim under the policy. You can phone us on 1890 24 7 365.
- 2 If the loss or damage involves stealing or malicious damage, you must tell the Garda Síochána or relevant police authority immediately.
- 3 You must take all reasonable steps to get back the missing property.

- 6 You must give us all reports, certificates, plans, specifications, information and help that we may need and pay any costs involved.

It's up to you to prove any loss, so we recommend that you keep receipts, valuations, photographs, instruction booklets and guarantee cards to help with your claim.

Conditions which apply to the whole policy continued

b Dealing with the claim

- 1 You must not admit any claim made by someone else against you or make any agreement with them.
- 2 We have the right to negotiate, settle or defend any claim in your name and on your behalf.
- 3 You must not abandon any property to us for us to deal with.
- 4 You must make yourself personally available to meet with us to help us deal with your claim.
- 5 You must not take any action that would prejudice our ability as insurers to verify the loss that you are claiming under the policy.

5 Cancellation

a If you cancel the policy

You may cancel the policy at any time by giving us written notice. We will refund a percentage of your premium to cover the period of the policy left to run, provided you have made no claim.

b Cooling-off period

If you are unhappy with your new policy, you can cancel within 14 days by giving notice in writing. We will refund your premium, less a deduction in respect of the period you were on cover, provided you have made no claim.

c If we cancel the policy

We may cancel your policy by sending you ten days notice by registered letter to your last known address. We will refund a percentage of your premium depending on the period of the policy left to run, provided you have made no claim.

6 Arbitration

Any disagreement that we have with you and that we cannot settle between us will be referred to the Financial Services Ombudsman's Bureau (see page 6 for contact details).

If the Financial Services Ombudsman's Bureau will not deal with the disagreement, you will have to refer it to arbitration. If you wait more than a year to do this, you will be considered to have abandoned your claim and you cannot take it up again.

7 Your obligation to keep to the terms and conditions of the policy

This policy will only apply if:

- a you keep to the terms, conditions and endorsements and the statements and answers in the proposal form are true; and
- b as far as you know, the statements made and the information given to us, which form the basis of the contract, are complete and correct.

8 Payments

Any money paid under this policy will be paid in euro in the Republic of Ireland.

9 Paying by instalments

If you are paying, or have agreed to pay the premium for this policy by instalments, you must keep your payments up to date. If you miss any payments, we will withdraw your option to pay by instalments or we will cancel the policy (or both). If you have a claim during the current period of insurance, you must pay the full yearly premium. We will deduct any premium owed to us from any claim we pay.

10 Stamp duty

We have paid or will pay stamp duty to the Revenue Commissioners in line with the conditions of section 113 of the Finance Act, 1990.

11 The value of your buildings

You must, at all times, keep the sum insured at a level which represents the full value of the insured building. This means the estimated cost of rebuilding if the building was totally destroyed. This is not necessarily the market value of the building.

12 Premium adjustments

If a change to your policy results in an extra premium of less than €15, we will not charge you. If a change to your policy results in a refund of premium of less than €15, we will not refund the amount.

Conditions which apply to the whole policy continued

13 Mains services and heating

You must turn off the mains water whenever your holiday home is unoccupied and you must appoint a responsible person to check the property regularly. If the building is unoccupied between the months of October to March, you must make sure;

- the gas and/or electricity are turned off at the mains and all electrical appliances are unplugged/disconnected from the supply other than those needed to maintain the central heating and alarm systems.
- the water systems are turned off at the mains and water and heating systems drained.

You will not have to drain the water and heating system if;

- your holiday home has a gas or oil fired central heating system set to operate continuously for 24 hours of each day (not controlled by a timing device).
- there is an adequate fuel supply to ensure you can comply with this requirement.
- the thermostat fitted to the central heating system is set to a minimum temperature of 55 degrees Fahrenheit (13 degrees Centigrade)
- the loft hatch, where fitted is left open.
