

How do I arrange test:drive?

The process is very simple. Contact us and we will arrange for an ISM instructor to ring you.

The road test can be carried out in your own car or theirs.

The fee is paid by you when arrangements are being made but no matter what the outcome, we will reimburse you provided you have a policy with us!

Call **1890 24 7 365**
go to **axa.ie/ism** or
drop into your nearest
AXA branch.

Terms and conditions apply. For your own security and to help us improve our service, we may record or monitor phone calls. AXA Insurance dac is regulated by the Central Bank of Ireland. AI-801 10/16 (6332td AD)

Aged 17-24? Show us you have the **right attitude**
and **ability** to drive and get up to

20% more off
your car insurance

Leaders in Driver Education Since 1961

redefining / standards

Aged 17-24? Show us you have the right attitude and ability to drive and get up to **20% MORE OFF your **car insurance****

There are a number of ways to reduce the cost of AXA car insurance. These include;

- a no-claims-discount (a reduction based on the number of years claims free driving)
- a no-claims-discount based on the number of years you were named on someone else's policy
- membership or employee of a credit union or organisation
- buying our special policy for third level students
- agreeing to your driving performance being monitored by GPS technology (in return for a lower premium).

And if you are a first time driver (with AXA) you can reduce your premium by taking 12 lessons with **ISM** (our RSA approved driving school partners). We will reward you as follows:

- **If you have insurance in your own name** we will reduce your learner permit loading by up to €400
- **If you are a named driver** (e.g. on your parent's policy) we will reduce our additional driver charge by 50% (subject to a maximum reduction of €400). Minimum premium €327.

And now, with ISM **test:drive** you can get up to **20% MORE OFF** your car insurance.

What is ISM **test:drive**?

ISM have devised a programme that gives you the opportunity to show us you have a responsible attitude toward other road users (the “test”) as well as an on-road evaluation to demonstrate your motoring skills (the “drive”).

This programme is called **test:drive and it's available to customers aged 17-24.**

Depending on your combined results you could qualify for a one-off discount as follows:

Grade 1	20% discount
Grade 2	15% discount
Grade 3	10% discount
Grade 4	5% discount

Just to be clear, this is in **addition** to any discounts I already earn?

Yes!

- If you already receive a no claims discount or
- your original premium was reduced by taking ISM lessons to obtain your learner permit or
- you qualify for other discounts such as Credit Union or Employee/Membership of an Organisation or
- you buy our special policy for third level student or
- you buy AXA car insurance with GPS driving performance monitoring for a lower premium,

then your ISM **test:drive** discount will be in addition to these discounts.

Please note a minimum premium of €327 applies to all AXA car policies.

How much does **test:drive** cost?

The charge is €60.00 (including 23% VAT). We will refund this fee if you buy or hold an AXA car policy irrespective of the grade you are rewarded. So you have nothing to lose and you are guaranteed to save at least 5% more on your premium!

Who is eligible for **test:drive**?

You must be aged 17-24 and you must hold a full licence or a learner permit (the programme content will reflect your licence status). You do not have to be an AXA customer but you must have car insurance in your own name.
